Friday, June 4, 2010 was a night of mixed emotions for the class of 2010. As students put on their caps and gowns, excitement and nostalgia overcame the graduates. The 128 students gathered at Laube Hall for a commencement ceremony, where Alex Isenberg talked about our past, and Alyssa Vigliotti spoke about our future. Mr. Schleiden gave a tribute to the class of 2010, where he announced that the class as a whole received an amazing \$1,981,078 in scholarships. After listening to speeches, the class received their diplomas, turned their tassels to the left, and became alumni of Freeport High School.

This year's homecoming court, Carlie Bieranowski, Dakota Bringenberg, Natasha Drzemiecki, Ashley Massart, Lacy Smiesko, and Alyssa Vigliotti, was chosen by the senior class. Each candidate rode in a classic car with her escort during the annual parade through Freeport before the start of the homecoming football game. At halftime, the candidates gathered on the field to await the results. After the votes were tallied, Lacy Smiesko was announced as FHS's 2009-2010 Homecoming Queen, and was crowned by last years queen, Amber Elder. A homecoming dance was held to honor Lacy. The dance was a huge success and a fun time for all in attendance.

The Snowball was a very eventful evening. The gorgeous girls and handsome men all came out for a night of fun and dancing. There to help with that was the DJ, Mr. Stell who kept everyone moving with the music. The dance floor was the place to be with the beautiful lights and decorations. At the end of the night i don't think anyone wanted to leave, but it was a relief to go home and rest their feet.

On May 7th, the rain held off during the day so everyone who attended the Freeport Prom could have an enchanted evening. Hours before prom were spent getting hair done, nails painted, and pictures taken. At 5:30, couples gathered at the high school for promenade, where they walked across the stage in their gowns and tuxedos. Finally, it was time for the real fun to begin as everyone made their way to the Syria Mosque for a night full of dinner and dancing. Upon arrival, there was plenty of time for socializing and pictures before dinner was served. Following dinner, a night full of dancing ensued and before everyone knew it, it was eleven o'clock and time to end the prom where "Magic Happens."

"The Secret Garden" is based on a classic children's novel that takes place in 19th century England. Young Mary Lennox arrives at Mistlethwaite Manor from India after the death of her parents. While at first a sour girl, she soon has a change of character after making new friends and finding a secret, special garden. This magical garden not only brings about a metamorphosis in Mary, but touches the hearts of her family and the servants as well.

This year's spring musical, *The Music Man*, was a classic show enjoyed by everyone. The story follows traveling salesman Professor Harold Hill, played by junior Curtis Hughes, his sidekick Marcellus, played by senior Alex Smith, and Marion the librarian, junior Andrea Bragiel. Harold Hill comes to River City, Iowa and tries to con the citizens by saying he's creating a boys band. He plans to collect the money and run out of town, but he faces obstacles along the way. Musical director Mr. Koharchik picked the show because, "I've always liked *The Music Man*. There is something special about a simple cheesy song like "76 Trombones" or "Trouble" that sticks in your mind." Senior Alex Smith says, "The one thing I'm going to miss about musical is all of the people included in it. It's a great way to meet new people and make lasting memories." Overall, *The Music Man* was a massive success, and everyone involved had an unforgettable time.

This year's varsity football season will forever go down in the program's history. The boys set out to top last season's accomplishments. They achieved this goal by giving Freeport their 500th victory when the team defeated Deer Lakes with a final score of 37-7. The football team also received their first conference title in seventeen years and made the playoffs for a second year in a row. Freeport had the pleasure of hosting the first round of the play-offs. This provided both a unique experience for both the players and their fans. The team was defeated by Greencastle Central Catholic. The final score was 35-6. In the end, Freeport was ranked 9th in WPIAL AA standings. The JV team finished their season with a 2-0 record. Unfortunately, due to harsh weather, the season was cut short. Both teams are looking to use their skills to achieve brighter honors in next year's season.

The team enjoyed a tough, but successful season this year. Due to various injuries and illnesses, there were only 19 players remaining at the end of the season. Even so, they came together through a tough schedule to achieve many victories. During the first game Mike Teorsky, the starting running back, suffered a head injury. At the same time, starting quarterback Brendan Lynch broke his thumb and was moved to kicker. Stepping up to the challenge, Fred Pastoria played as quarterback for the rest of the schedule. The flu season also brought a challenge; with so many players sick, the game against Mars had to be rescheduled. Setbacks aside, the team realized they had potential and fought to win six games and only suffered two losses. Those two losses were against Hampton and Mars, both AAA schools. Overall the team and coaches were satisfied with the season's results, and are looking forward to a prosperous future.

The 2009 Freeport Golf Team was led by seniors Zack McQueen, Blaine Smith, Tyler Pajerski, Neal Deeroo, Matt Hall, and Dane Bargerstock. They were coached fantastically all summer and every day after school by Coach Dave Panach. Coach Panach achieved his 300th win as a coach and said, "I couldn't have asked for a better team to reach this accomplishment." The boys were 16 straight wins and 1 loss overall. The loss was the last match which was played away at Ford City. Seniors, Zack McQueen and Tyler Pajerski both made it to the 2nd round of individual qualifiers. Tyler missed the cut by one stroke, while Zack made it to the 3rd round in the playoffs. Zack missed the finals by one stroke in the end. The Freeport boys took the section and the team lost in the semi-finals by coming in 4th place. The team would like to thank everyone for their support, especially Coach Panach who made this season of golf a very rewarding experience. Coach Panach will be retiring this year and wishes future teams the best of luck.

girls soccer

This year the girls soccer team fought hard and played well together. Their only senior, Samantha Weber, showed her support even though she was injured. The team had two new faces on the coaching staff, Blair Gantz and Courtney Hoover. They helped out the team with their knowledge of soccer. The team learned to control the ball in the middle of the field and send it through for the forwards. The team's solid defense helped a lot this year by clearing every ball that faced them. Over all, they have improved and hope to grow as the years go on. Next year's senior class is strong and ready to lead the team to a successful season.

CROSS COUNTRY

Running is a challenging sport, but Freeport's cross country team has done exceptionally well this year. The girls, led by freshman captain Kayla Zboran and junior captain, Lauren Sceen, have finished their season with four wins and four losses. The team also placed fifteenth out of thirty five teams at the WPIAL Championships. That's the team's best finish ever. "This year was definitely the most successful we've ever had", says Kayla. Out of the seven girls who ran at WPIAL's, she placed 2nd and qualified to run at the state competition in Hershey, Pennsylvania. There, Kayla placed 34th out of 291 of the best runners in the state. The boys have also done their best this year, and it shows. The team was led by senior Nick Gentile, and junior captains Kevin Keppel, Eric Snyder, and Stephen Posney. They finished the season with five wins and no losses. After WPIAL's, Nick Gentile went on to run at Ios, placing 62nd out of 289 boys. "We had some bad luck with some injuries, but in the end, we had a pretty good season," is Kevin. This year, the team was accompanied by nine independent junior high runners; with six of them joining the high school team, things look promising for next season.

The Freeport volleyball program made history as the girls completed one of their most successful seasons. They were undefeated section champions and beat the number one seed, South Fayette, who was the defeating WPIAL runner-up. The team ranked second going into the playoffs and progressed to the WPIAL finals. They were the WPIAL runner-up for AA, losing only to West Allegheny. The girls were determined to make it to York, Pennsylvania for the state championships and reached their goal after they beat Punxsutawney in the first round of states held at DuBois high school. They were a member of the "elite 8" and placed fifth in the state overall. The girls were led by seniors Carlie Bieranowski, Ashley Massari, Madison Rotto, and Alyssa Vigliotti. The team also has a strong junior class that will lead the volleyball program next year. "It was exciting to experience such an amazing season. I will never forget all the memories made this year," said senior, Madison Rotto.

cheerleading

What does it take to be a cheerleader? People may not realize how much goes into being a cheerleader. Someone once said "Cheerleading is life, you must give it your all, and always strive to be on top. It teaches you so much: from how to be a team player, leadership, dedication, confidence, and many other qualities." Cheerleaders go to games and cheer on the players even if they think the team is going to lose. They work hard to show their team spirit and that what they do is more than the stereotype given to us by people.

The Freeport Hockey Team entered the season not knowing what to expect after losing a couple key players from last year's team. They had a rough start to the season with injuries, suspensions, and losses but this did not faze them. The team continued to work hard and never gave up. They were able to overcome a slow start and rebounded to a strong second half of the season. They achieved their team goal of making the playoffs, although the season ended with a disappointing loss. Overall, they viewed the season as a success. The team faced many obstacles along the way, but they always kept their heads held high. With a talented group of underclassmen, future for Freeport Hockey appears to be bright!

This year's girls basketball season at Freeport has been a long and winding road. At the beginning of the season the team had high expectations, and in the end they fell just short of play-offs. Their record was not amazing, as it was more of a learning year. There was only one senior and a plethora of freshmen. They learned about the game, about each other, and about life. The expectation is even higher for next year's team. The talent this team possesses is enormous and once developed will be unstoppable. They are sad by the loss of the JV coach, Mr. Dell. He has been with them for a long time and they hate to see him leave, but wish him the best of luck. They plan to continue playing with reckless abandonment and outstanding energy. They are looking forward to next year as the new seniors take the reins and lead the team to greatness.

boys basketball

The Freeport Boys Basketball team welcomed back Coach Davies and his dedicated staff. They had a very successful season. The team learned a whole new style of basketball that emphasized high pressure defense. Led by seniors Tyler Collins, Darius Frantz, Nick Gentile, Alex Isenberg, and Mitch Shaw the Yellowjackets were the undefeated section champions of their conference and made it to the second round of the playoffs. Although the season ended on a disappointing note in a second round overtime loss, the players and coaching staff were very pleased with their efforts and ability to form a close team bond. Even though the Jackets are losing five experienced seniors, the underclassmen fully expect to compete for a section title again next year.

This year the Freeport Boy's Freshmen Basketball Team had a great year. They really showed what it takes to win and the things you must accomplish to make winning possible. Everyone worked extremely hard at practices for Coach Ron Grove. Even though this was his first year coaching boys basketball in ~~adult~~ and he hadn't lost a step of his game ~~initially~~. A lot of the time there would only be some boys at practice so Coach Grove would ~~join~~ in and join us! The boys had a very ~~successful~~ season and only had a few loses. Every player gave 110% and continued to return to the court for more. All in all, it was a very fun and exciting year that everyone will truly miss.

softball

With the loss of only one senior varsity player, the softball team was well prepared and ready to make it to the play-offs, something that hasn't been done for three years. This year, there were many close games but the girls ended the season with a record of 10-7, which was just enough to make it to play-offs. Their first play-off game was the most exciting game of the whole season. The team defeated Bishop Canavin with a score of 2-0. They played an incredible game and everyone was heart-broken when the season came to an end the next week. Overall, the girls can say that they had a great season with an overall record of 11-8.

This season has been a very memorable one for the Freeport varsity baseball team. They started out by having conditioning practices in December and continued until mandatory practice started in March. They started the season feeling they had a good chance to do well. They lost their first game to Knoeh, but after that disappointment they did not lose a game the rest of the season. Section play began against their rival, Burrell. It was a huge game and a big measuring stick to see how good the team really was. They ended up beating them 4-2. Section play continued until they faced the Burrell Bucs again and crushed them 12-2. They then cruised through the rest of the section and had their final game at home against Ford City for Senior Night. It was a tough battle but Freeport won 5-3. The team won their final section game against Deer Lakes, 9-2, to finish the season undefeated in section and clinch their first section title since 1998. In the playoffs Freeport unfortunately lost in the first round to Bishop Canevin. Even though it was not the way they wanted to end their season, they still had one of the greatest seasons in Freeport Baseball history by finishing 12-0 in section and 15-2 overall.

track & field

The 2010 girls track team overcame much adversity this year to achieve greatness. Despite that it was a very young team and that many of the athletes faced injuries this year, the girls finished the season undefeated in the section and were the WPIAL runners up. Although the team will be losing a small handful of seniors, from here the team only feels that they can get better. To end the season, a group of athletes qualified to go to the PIAA state meet. The girls who attended this meet were from the 4x400 consisting of Chelsea Chaffman, Taylor Bombalski, Kamri Brestensky, and Alyson Moore. Others competing at the state level were Bronte Soul for triple jump, and Lindsey Gugino for hurdles. Because of the success that the team had this year, everyone will be driven to set the bar even higher for next year whether it being running faster, throwing farther, or jumping higher and longer.

Coming into the season, the 2010 boys track team had high expectations. The team returned most of the key members of last year's team, which finished as WPIAL runners-up. This year, the boys set their sights on the WPIAL title, vowing to settle for nothing less. The team did just that, overwhelming every section and playoff opponent in route to the championship, finishing 8-0 in the section and becoming the first track team in Freeport history to finish 15-0 overall. The team was confident in their abilities, and as senior Nick Gentile put it, "Our experience from last year's WPIAL meet and our confidence to actually win a lot of events but to take a lot of 2nd and 3rd place against other teams led us to believe that everyone else had to go through us to win the championship." In addition to the WPIAL and section championships, the track team sent numerous athletes to the PIAA state meet. Members of the 4x800 and 4x400 relay teams qualified, as well as seniors Alex Isenberg and Darius Frantz in the triple jump, Frantz in the high jump, Gentile in the 400, and senior Tyler Pajerski in the pole vault. The future of the boys track team is bright, and the team as a whole should be commended on their highly successful and historic season.

The Freeport Food Bank is giving thanks to Freeport High School after this year's Dancing with the Faculty fundraiser raised over \$4,000 to help our local neighbors in need. This fundraiser was the third of its kind in four years. There were twenty two dance couples that entered, and the top six were able to move onto the finals. Students, faculty, and people in the community could vote with their donations via cash or check. After the money was counted, the top six money-earners were Mrs. Boring and Joey Sadecky, Mr. Cooper and Aly Smith, Ms. Lunz and Tyler Manko, Mr. Ortego and Rachel Sadecky, Mrs. Phillips and Alex Isenberg, and Mr. Ritter and Samantha Weber. After the judges' scores and money raised was tallied, this year's winner of Dancing with the Faculty was Ms. Lunz and Tyler Manko, dancing to Elvis Presley's Jailhouse Rock. Mrs. Phillips and Alex Isenberg came in second place, and Mr. Ritter and Samantha Weber rounded out the top three dance partners in the school.

The junior high football team deserves kudos on a well-played season! The greatly contested matchup against Seneca Valley, where the Freeport Junior High football team came the closest ever to defeating a AAAA school, was a terrific season highlight. The final game of the season versus Deer Lakes at Borough Field put a win under their belt and signaled the end of the eighth graders' junior high career. With a win closing the season, the momentum is sure to continue when this year's eighth graders make their way to the high school next year.

This year, the Freshman Hockey Team had an incredible season, with big plays and close games regularly. Two years ago, the team was coming off a season in which they won only one game. Player moral was down, but the team kept working hard. It showed, as they won nine games, and made the playoffs the next year. The team continued to work and prepared for what they hoped would be memorable season; they would not disappoint. The team played as a family, and became section champs, and the only Freeport Hockey Team to go undefeated, with a mark of fifteen wins and one tie. In the playoffs, they bested Greater Latrobe (4-2), Somers Valley (4-3), and Bishop Canevin (3-2), to become the freshman hockey state champions for Pennsylvania! The coaches making this possible are head coach Donald Zack, assistant coaches Gregory Newman and Michael Kapustik, along with manager Pam Kapustik. This year's team gave Freeport something to take pride in. Great season guys!

girls basketball

The 7th and 8th grade Girls Basketball teams had an excellent season that was full of fun, hard work, determination, and heart. The teams were led by the competent and capable leadership of Coaches Dell and Grove. They inspired the teams to play hard, play fair, and play with 100% commitment. The teams trained for 3 months, and as the season came to a close at the end of October, it was clear they were winners both on and off the court. The 7th graders have a bright future ahead of them and will most likely be a strong 8th grade team. The 8th graders improved as the season progressed and will definitely contribute positively as they move on with the Export Girls Basketball Program. Good luck to everyone next year!

The 8th grade basketball season was a great one with a record of 12-6, while the 7th grade basketball team finished the season with a 4-13 overall record. Coach Stivenson ran the 8th grade team through practice each day to get the discipline and unity the team needed to push their way to second place at the inaugural Junior Jacket Classic. Casey Collins and Hunter Fennell led the way and earned spots on the All-Tournament Team. The 7th grade team overcame inexperience and a 1-5 start to win three of their final eight games, which included advancing to the championship game of the inaugural Junior Jacket Classic on February 20th at Freeport Senior High School. Just like the 8th grade team, they placed second in the tournament, which was highlighted by today DiGiacobbe and Marshall McCormick being given a spot on the All-Tournament Team. The hard work, perseverance, and character displayed by the teams throughout their season makes their future as student-athletes extremely bright, and hopefully they will carry it over to a successful season as they advance up to the next level.

volleyball

The Freeport volleyball girls had yet another amazing season. Both 7th and 8th grade girls went undefeated. The 8th graders also reached their goal of winning all 3 tournaments that they were in. Altogether, the Jr. High teams had a great season. None of this could be possible without the help of Coach Phillips and Coach Whitfield. Even though the season has come to an end, they are already preparing ourselves for the next season to come. The girls are sad that the season is over but we can tell that the 7th grade girls are anxious to take the lead next year. As for the 8th graders, they are looking forward to moving on as a team.

Congrats! We are so proud of the person you've become. You are a beautiful daughter/sister inside and out. You fun loving, humorous and carefree personality has left us with many laughs and fun memories. Whatever you decide to do in life, believe in yourself and I will succeed. Our wishes for you are the best of health, happiness and to stay forever young.

Dear Ricky,

It's been a true blessing to have you in our lives - helping you grow and reach your goals and dreams. We've played baseball with you since you started walking and could hold your first fat plastic bat. You never stopped playing and enjoying the game and we've been your biggest fans! It has been so fun and rewarding leading you through every stage of your life. We saw there were three constants through the years: our family love, the Lord, and baseball. We always see how hard you worked and your competitive spirit made you successful. We appreciate who you are and who you are becoming. The reward of your hard work is that now you get to walk in your dream and play ball in college. You can do all things through Christ who strengthens you. Phil 4:13

Nothing's gonna harm you
Not while I'm around
Nothing's gonna harm you
No sir, not while I'm around
Demons are prowling everywhere nowadays
I'll send them howling, I don't care, I've got ways
No one's gonna hurt you
No one's gonna dare,
Others can desert you
Not to worry, whistle I'll be there
Demons'll charm you with a smile
for a while
But in time
Nothing can harm you, not while I'm around.
Being close and being clever
Ain't like being true,
I don't need to, I would never
Hide a thing from you
Like some
No one's gonna hurt you
No one's gonna dare
Others can desert you
Not a worry, whistle I'll be there
Demons'll charm you with a smile
for awhile
But in time
Nothing's gonna harm you
Not while I'm around

Michael,
As I sifted through many pictures, I saw you grow up again, and was filled with mixed emotions. Happy that you have grown into a strong, capable young man, eager to embark on a new journey in life and pursue your dreams, but sad because I want to hold that little boy again. God granted us a great privilege to watch you grow, and what a fun ride it has been! The past 18 years have been fabulous, and the best is yet to come. You'll have new challenges to overcome, lessons to learn and opportunities to explore, and you can handle every one. Just keep your eye on your dreams and not on the obstacles. You're a strong leader with a compassionate heart, never lose that. Keep God in your life, and always remember that you are deeply loved, no matter what! Your room will always be waiting down the hall, the only difference is now it will be CLEAN! Finally.

We love you,
Mom, Dad, Kristi, Natalie, & G

I heard of the feelings
of a mother for her son
I knew what it was the day
you were placed in my arm.

So much sheer pleasure you
have given me
Time passes so fast
from birth the years pass
Now 18 and a wonderful
man

With hair now brown and
hazel eyes - the sweetest
dimple you can't disguise

Most times to me you are
so sweet - so rarely is
your temper seen.

You are my precious son
and always
will be - So much love I give
to you - and please know
how proud I am of you.

All my love

Mom

To our brother

We were always there
for you and always will
be. Never forget that.

Love,
Candace, Bree, Bina
